IS AN APPRENTICESHIP RIGHT FOR YOUR BUSINESS?

Preparing your business for tomorrow means finding the skilled team you need today. Registered Apprenticeships provide the opportunity to custom train a ready workforce to better prepare for future needs and growth. Apprentices earn while they learn, gaining skills that enhance your bottom line.

- ▶ **Do you need a more skilled workforce?**
- ▶ **Do you want to diversify your talent pool?**
- ▶ **Do you want to train and educate your staff to meet specific needs?**
- ▶ **Do your workers need help keeping pace with industry advancements?**
- ▶ **Are your highly skilled workers retiring soon or leaving for other opportunities?**

If you answered “yes” to one or more of these questions, an apprenticeship program might be the right solution for your business.

Successful apprenticeships are collaborative and include businesses, industry associations, educational institutions, CareerSource Capital Region and community organizations. These partnerships connect you with education partners such as Florida universities, state colleges or school district career centers to design the apprenticeship program and recruit apprentices.
