

CHILD-FRIENDLY HOURS

Special hours for children under 16 years old at all three career centers

At CareerSource Capital Region, our goal is to ensure that we prepare you for employment while maintaining a professional environment at the career centers for all career seekers. We want you to get the most out of your visit to the centers, free of distractions and added responsibilities.

We ask that all career seekers arrange for child care prior to coming to the center for services. For career seekers who have a challenge finding child care, we have blocked out special child-friendly hours! Our goal is to focus on your employment and training needs and provide you with quality solutions that help you find a job fast.

Upon your first visit to the center outside of the times posted here, you will receive information about CareerSource Capital Region and local childcare services.
