1

Creating a Desirable, Engaging & Innovative Workplace through Diversity, Equity, & Inclusion

Understand why diversity, equity and inclusion is important and how having a diverse, equitable and inclusive workplace increases moral, productivity and even the bottom line.

2

Consensus Building in an Environment of Conflict

It's not a question of "if" conflict happens, but rather "when" it occurs. This workshop helps employees to identify the causes of conflict and how to handle it in a sensible, fair and efficient manner.

3

How May I Help You? Delivering Excellent Customer Service

Identifies attitudes and behaviors essential in providing excellent customer service. What is excellent customer service? How about the ability of your organization to constantly and consistently exceed your customers' expectations? A simple goal, yet only few achieve it.

4

Professionalism on the Job: Etiquette is for Everyone

Explore how employees interact and communicate with each other in dealing with a variety of situations in the workplace, such as proper cell phone etiquette, work ethic, email do's and don'ts, breakroom gossip, the top ten reasons people get fired and more.

5

The Ideal Team Player (based on the book by Patrick Lencioni)

One of the most valuable qualities needed to thrive professionally is being a team player, but we rarely define what being a team player requires. This training defines the qualities of a great, aka IDEAL, team player.

6

Improving Multi-Generational Communication

Communicating in the workplace can be hard enough without factoring in generational differences and perceived barriers. Learn tips and tricks that work for everyone when communicating with other generations.

7

Performing Under Pressure: Using Emotional Intelligence to Drive Excellence

Learn how to improve communications, build stronger relationships, reduce conflict and stress, and improve leadership skills.

8

Staying Focused and Engaged: Tips on Time Management

Discover the range of skills, tools, and techniques used to "manage" time when accomplishing specific tasks, projects, and goals, as well as how to deal with the "Thief of Time," procrastination.
