Eligible Training Provider Program Overview

The Workforce Innovation & Opportunity Act (WIOA) provides funds to local workforce development boards for a variety of workforce development services and activities. One of those services is the occupational skill training for individuals who meet the eligibility requirements and other requirements under WIOA.

To access skills training, eligible individuals must:

- 1. Be enrolled as a participant under WIOA.
- 2. Select from courses available on the CareerSource Capital Region (CSCR) Eligible Training Provider List (ETPL).
- 3. Meet entry requirements for the course of study as determined by the school and by the participants' CSCR Career Advisor.
- 4. Be able to show how they will be able to support themselves while in training.

The EPTL is comprised of schools offering courses of study:

- 1. Which meet criteria established by CSCR.
- 2. Which submit a completed application to be on the EPTL.
- 3. Which provide training in a demand occupation which meets the Workforce Estimating Conference Selection Criteria as to the number of job openings and hourly entry wage rates for Gadsden, Leon and Wakulla counties.
- 4. Whose applications have been approved by CSCR.
- 5. Which course completion and placement data will be reported to the Florida Education Training Placement Information Program (FETPIP).

Both the school and the course of study must be approved by CSCR in order to be on the EPTL. Schools and course of study are subject to removal at any time based upon previously established criteria.

Eligible Training Providers must:

- 1. Be licensed by the Florida Department of Education¹.
- 2. Be accredited by an entity recognized by the US Department of Education.
- 3. Offer training in a facility that is in compliance with ADA requirements.
- 4. Report their performance to the Florida Education Training and Placement Information Program (FETPIP) http://www.firn.edu/doe/fetpip/.
- 5. Be approved by the CSCR governing board.

Contact the Commission for Independent Education (CIE) at (850) 245-3200 or online at http://www.fidoe.org/cie/ to obtain licensure. The State of Florida requires training providers to be one of the following: 1) Postsecondary, public educational institution eligible to receive funds under Title IV of Higher Education Act (HEA) and/or an entity that carries out registered programs under the Act of August 16, 1937 (commonly known as the "National Apprenticeship Act"; 50 Stat. 664, Chapter 663, 29 USC 50 et seq.); or 2) The State Board of Independent Colleges and Universities (SBICU) must issue a valid license to any nonpublic or independent institution that grants two-year or four-year degrees. The legal authority for licensing authority for licensing these institutions is Chapter 446 of the Florida Statutes at Chapter 6E, F.A.C., or 3) The State Board of Nonpublic Career Education (SBNCE) issues licenses to non-degree granting, non-public schools that provide courses of instruction in Florida. This provides some assurance that public vocational dollars are being spent with private providers whose curriculum, instructors, and financial stability have been verified and approved. Sections 246.201-246.31, Florida Statutes, authorize this provision.

Eligible Training Programs:

- 1. Must be offered to the general public.
- Must be for an in-demand occupation in Gadsden, Leon or Wakulla County that also meets the minimum entry wage requirements as listed on the <u>Regional Targeted Occupation List</u>. Occupations with an entry wage lower than the region's LLSIL may still be considered for career seekers enrolled in specialized programs, defined in CSCR policy.
- 3. Must meet state and local performance criteria- Minimum 80%:
 - Program Completion
 - % of program participants completing the program
 - % of program participants earning a Recognized Postsecondary Credential (or other credential)
 - Employment
 - % of program participants in unsubsidized employment after program completion
- 4. Must be for occupational training where a supply gap exists within the region, based on registered career seekers in the state's MIS.

Continuing Eligibility:

For Continued Eligibility, Training Providers must:

- 1. Continue to Maintain accreditation and
 - a. Have valid licensure through the Commission for Independent Education (if private); AND
 - b. Continue to supply student-based information to FETPIP.
- 2. For Programs to remain on the region's ETPL, it must meet state and local performance criteria:
 - a. Have training completion rates of 80%;
 - b. Have Credential Attainment rates of 80%; and
 - c. Have training related placement rates of 80%;
