Entry Wage

Entry wage is based on 2016 Hourly Wage Statistics, as reflected on the RTOL.

**Limited Duration for Financial Assistance

Typically, the Associate and Bachelor Degree programs require between one and a half and four years to complete (through full-time attendance). The time period (duration) that CareerSource Capital Region can offer financial assistance is limited for certain programs and cannot exceed two years. Training programs with the LDFA designation, may only be considered for enrollment after the program participant has completed 50% of the training provider's course requirements for the approved training program.

Note: If the 50% completion point would be exceeded after the completion of a specific term, participants may be enrolled at the onset of that term as long as documentation is provided demonstrating satisfactory progress in the immediately preceding semesters/quarters.
