

# IS APPRENTICESHIP RIGHT FOR YOU?

If you were told you could earn a paycheck AND learn at the same time, without paying tuition and fees, would you be interested? That's what an apprenticeship does! It is a proven way to avoid college debt, get your foot in the door at the right company or set yourself up for a successful career! An apprenticeship offers you the opportunity to:

-  **Receive on-the-job training**
-  **Earn a nationally recognized credential**
-  **Learn from an experienced mentor**
-  **Earn a wage that increases with your experience**
-  **Gain a real-world understanding of the job**
-  **Apply what you learn and improve your skills**
-  **Fast-track your success in a time-test way**

## BENEFITS

**\$15 per hour**

Average starting hourly wage for an apprentice.

**\$60,000 per year**

Average starting salary after the apprenticeship

## KEY INDUSTRY SECTORS:

**Manufacturing**

**Construction**

**Health Care**

**Information Technology**

**Trades**

## READY TO LEARN MORE?

On average, apprentices earn nearly 2.5 times their counterparts within nine years and about \$300,000 more over the course of their career. In addition, an apprenticeship offers you the opportunity to earn a paycheck while receiving educational instruction in a variety of different industries and types of jobs. Contact us today to learn if an apprenticeship is right for you!
