

CAREER CONNECTIONS

hiring fair series

For more than 12 years, CareerSource Capital Region (CSCR) has hosted its annual community job fair in the region. Each year, the job fair has attracted up to 2,000 career seekers. Recently, we made a strategic decision to focus on industry specific hiring fairs. This means, CSCR will keep a pulse on high growth industries in the region and connect employers to qualified career seekers at these fairs. The industry specific hiring fairs will be conducted in smaller, more intimate settings, with a maximum of 35 employers. This will give employers the opportunity to interview and hire qualified career seekers more efficiently!

The 2015-2016 CAREER CONNECTIONS hiring fair series will feature three events: February 3 will focus on IT, Financial and Professional Services; April 6, Medical and Health Care; and June 1, Government, Public Administration and Non-Profit.

Businesses will be able to market their company while recruiting valuable, new employees. On-site interviews will be a primary focus for the hiring fairs. The goal is for your company to easily find the right candidate for your business' position vacancies.

In the past, Dynamic Workforce Solutions, Keiser University, Streamline Roofing & Construction, The Economic Development Council of Tallahassee/Leon County, Inc., Tallahassee Community College, St. Marks Powder, ITT Technical Institute, James Moore and Company, Capital City Bank, and MGT of America have all been major partners with CSCR in hosting job fairs.

CSCR provides comprehensive employment and workforce solutions to Gadsden, Leon and Wakulla counties. Last year, we assisted more than 3,000 employers by connecting them with over 25,000 career seekers and workforce solutions right here in the capital region.
